

# **Tuition Payment Options**

**All payments must be made using the MyACE Portal and the ACE mobile app**. Exceptions to this policy include third-party payers (employers, school districts, scholarships, and gifts from relatives) who are making a payment on behalf of a student. Other unique exceptions may occur that will need to be coordinated through the Bursar's office.

**Payment Due Date.** Payments are due on the Friday before each term start. If payment has not been received by the end of the day on the Friday of Week 1, the student will be administratively withdrawn. If students are administratively withdrawn and wish to be reinstated, they will be subject to the <u>\$100 reinstatement fee</u>.

**Attention Financing Students.** Are you financing your education with Climb Credit, Edly, Sallie Mae, or Tuition Flex? Be sure to contact your lender to officially accept their terms by the payment deadline. If you are financing with Climb, Edly, or Tuition Flex, you will also pay the \$200 tuition deposit directly to ACE by the payment deadline to maintain your enrollment.

**Did you recently change your payment method?** If you changed your method of payment (for example, you change from paying by course to using a lender), please ensure your Payment Agreement is updated to reflect the most recently selected method of tuition payment. To update your Payment Agreement, sign in to <u>MyACE Portal</u> and navigate to 'I Want To... Request forms', and then Change Payment Option, and then click Payment Agreement.

If you have questions or require additional assistance, please contact the Bursar office at <u>bursar@ace.edu</u>, by calling 1-800-280-0307 Option 3, or via web chat at <u>www.ace.edu</u>.

Upon login, you will have two options (Figure 8):

• Pay in 4 - Eligible US buyers can pay in four interest-free payments for purchases of \$30 to \$1,500.

Pay in 4 is an interest-free installment loan from PayPal that lets students split their course costs into four repayments, with the down payment due at the time of the transaction. Three subsequent repayments are made every 15 days thereafter.

• Pay Monthly- Eligible US buyers can pay in 6, 12, or 24 monthly installments for purchases of \$199 to \$10,000.

The PayPal Pay Monthly option spreads the program costs into fixed monthly payments over terms ranging from 6 to 24 months. Pay Monthly is an interest-bearing installment loan issued by PayPal's bank partner, WebBank, with a fixed APR based on creditworthiness.
