

AMERICAN COLLEGE *of* EDUCATION

Tuition Payment Options

All payments must be made using the MyACE Portal and the ACE mobile app. Exceptions to this policy include third-party payers (employers, school districts, scholarships, and gifts from relatives) who are making a payment on behalf of a student. Other unique exceptions may occur that will need to be coordinated through the Bursar's office.

Payment Due Date. Payments are due on the Friday before each term start. If payment has not been received by the end of the day on the Friday of Week 1, the student will be administratively withdrawn. If students are administratively withdrawn and wish to be reinstated, they will be subject to the [\\$100 reinstatement fee](#).

Attention Financing Students. Are you financing your education with Climb Credit, Sallie Mae, TFC or Tuition Flex? Be sure to contact your lender to officially accept their terms by the payment deadline. If you are financing with Climb or Tuition Flex, you will also pay the \$200 tuition deposit directly to ACE by the payment deadline to maintain your enrollment. If you are financing through TFC, you need to pay the \$300 admin fee directly to ACE by the payment deadline to maintain your enrollment.

Did you recently change your payment method? If you changed your method of payment (for example, you change from paying by course to using a lender), please ensure your Payment Agreement is updated to reflect the most recently selected method of tuition payment. To update your Payment Agreement, sign in to [MyACE Portal](#) and navigate to 'I Want To...Request forms', and then Change Payment Option, and then click Payment Agreement.

If you have questions or require additional assistance, please contact the Bursar's Office at bursar@ace.edu by calling 1-800-280-0307, Option 3, or via web chat at www.ace.edu.
